Francis Xavier

Francis Xavier was born in 1506. He had planned a career as a professor however his friend, Saint Ignatius of Loyola, convinced him to use his talents to spread the Gospel. He was one of the founding Jesuits and the first Jesuit missionary priest.

He travelled thousands of miles, mostly with bare feet, tolerated the most appalling conditions on long sea voyages, endured extremes of heat and cold. He had the gift of tongues, was a miracle worker, a prophet, a healer.

He died on 2 December 1552. He was beatified on 25 October 1619 and canonised on 12 March 1622 by Pope Gregory XV.

Xavier College was one of the founding schools of Ursula Frayne Catholic College. It catered for boys and was based at the current Balmoral Street Campus in East Victoria Park.

Xavier Cluster is committed to our faith. We seek to be courageous and energetic in our daily lives. With determination to succeed, we will strive for excellence in all we do.

Cluster Prayer

Lord God

By the preaching of St Francis Xavier you brought many nations to yourself.

Give his zeal for the faith to all who believe in you, so we may ever be faithful to the Gospel.

We pray that we may live our Christian calling, and that we are true to ourselves, to our families, and to our community.

We ask this through Christ our Lord, Amen.
