

# Frayne Day 2020

The College celebrates its Feast Day on Thursday 24 September. The day is always closely aligned to the Feast of Our Lady of Mercy which is celebrated a couple of days prior. The House of Mercy in Baggot Street, Dublin, which is where the Mercy story officially began, was opened on this Feast Day in 1827.

This year we have had to make significant changes and accommodations to proceed with Frayne Day. It is different from other years; however, we have invested significantly in the provision of a safe and joy filled day. Frayne Day is a compulsory school day and all students are expected to attend.

Unfortunately, parents are not able to join us for Frayne Day. We are disappointed that we can't share this day with you. This is due to the Phase 4 COVID-19 requirement of social distancing for adults and as such we could not accommodate large numbers of adults on site without breaching this requirement.

Students will be well supervised by the staff of the College. The safety and wellbeing of all students is always our first priority.

A recording of the concert will be made, and accessible to all families after the event. Details on how to access this will follow.

**Teague Street will be closed to all traffic from 12 noon to 4pm.** There is no parking on site at the Duncan Street campus, so alternatives will need to be explored. You will need to plan ahead in regard to picking up your son or daughter from the College on this day.

**Please take a moment to speak to your child about the outline below for our College Feast Day.**

Students who ignore these dress standards will not be allowed to participate in the day's activities. Parents of students who do not dress appropriately will be contacted. **Students in Kindy and Pre-primary are required to wear their usual school uniform to make them easily identifiable.** The concert in the afternoon can be warm, so bring along a hat and a water bottle.*
