

Plan your pick-up trip for Frayne Day!

Please read through the following information, regarding pick-up arrangements for the conclusion of Frayne Day and collection of students, carefully.

There is no parking on site at the Duncan Street Campus.

Teague Street will be closed to traffic from 12 noon onwards.

Options to consider when coming to collect your child:

Consider Burswood, Carlisle, Oats Street Train stations. Park the car at the train station. The trains run approximately every 15 minutes and the train ride is less than 5 minutes. Walk from the train station to collect your child/ren. Make it a part of the fun of Frayne Day.

Park the car in Lathlain around Rayment Park. Walk over to the Duncan Street campus via the train station bridge. Enjoy some time in the park after school.

Park the car at the Centro carpark and walk over to the campus via the underpass that goes under Shepparton Road. Do a bit of shopping on the way!

Park your car at the Heart of the Park shopping centre and catch the 177, 178 or 179 bus on Albany Highway. It stops at the corner of Duncan Street and Albany Highway. Get the kids ready for the secondary school journey!

Park at GO Edwards Park, Burswood and walk to the campus. This is a longer walk which will take about 25 minutes so keep in mind it might be a bit far for our Preppies!

There is limited parking around the streets of Victoria Park, so I urge all families to plan their pickup carefully. Duncan Street Campus students are advised to utilise public transport.

Preparatory School students will need to be collected from the gate closest to the corner of Duncan Street and Teague Street. Please do not rush to be the first on site, rest assured staff will wait with your son or daughter, you just need to be here before 3pm.

All of these suggestions will help to ease traffic congestion around the area and help you and your child enjoy the last part of Frayne Day before the holidays begin!
