## FRAYNE ACCESSIBLE INSTRUMENTAL MUSIC APPLICATION FORM

This Application Form should be used by students incoming to the Duncan Campus in Year 7. The F.A.I.M Program is a two-year program with one-year initial physical and financial commitment. It applies to students studying Orchestral Band or Stringed Instruments only. All parents/guardians should read the Terms and Conditions of the Instrumental Program, as set out on the College website, prior to completing this application. A link is provided below to access this document.

Successful applicants will gain access to our Sound Explorers Ensemble which is a required element of the F.A.I.M program. The Sound Explorers Ensemble is where students put into practice their learned skills in an ensemble setting and learn basic ensemble skills in preparation for moving onto a more demanding ensemble in Year 8.

### STUDENT INSTRUMENT PREFERENCE

It is important that all students select an instrument that is a suitable and appropriate choice for them, giving each student the best possible chance of success. For this reason, it is advisable, but not compulsory, that each applicant book a 15-minute instrument placement interview with Mr Baker. Interviews can be booked via the [Instrument Placement Interview](#) link. All interviews need to be completed by the final week of Term Three.

Those students who do not wish to go through the Instrument Placement Interview are required to select TWO instrument preferences. You will be enrolled to undertake tuition in one of your two preferences. Students will be notified of the instrument they will be playing via a Letter of Offer. ***Please ensure that your child is willing to learn either of the instruments chosen in this application and that the Parent /Guardian will support this undertaking.***

## PRICING STRUCTURE

Pricing for lessons in the F.A.I.M Program are wholly dependent on how many students wish to undertake a lesson on a particular instrument. For example, if only one student wishes to learn the Viola, no Group Lesson option will be made available. This cannot be determined until all applications are received. With this in mind, please make the following selection based on your preference. Please understand however, that if your preference is not available you are still required to make payment on the next fee option available, unless you also select Option 4 below.

- OPTION 1: GROUP LESSON.** Three students at a cost of \$12.50/week/lesson.
- OPTION 2: PAIRED LESSON.** Two students at a cost of \$18.00/week/lesson.
- OPTION 3: INDIVIDUAL LESSON.** One student at a cost of \$36.00/week/lesson.
- OPTION 4:** I do not wish for my child to participate in a lesson option at a higher rate than I have selected.

## FEES, REFUNDS AND WITHDRAWALS

Participation in the F.A.I.M Program is an additional fee, payable to the College, which is ultimately paid to the music tutor. To be eligible to participate in this program, payment of all College school fees must be up to date. All applications to participate in the program must first be approved by the Business Manager.

Please be aware that if your child is part of a Grouped or Paired Lesson, they do not receive a refund or make-up lesson if they do not attend, as the lesson will still occur with other students involved.

No refund will be provided if a student withdraws from the F.A.I.M Program during the initial 12-month commitment period. Any student who has elected to have Individual Lessons is subject to pay a terms notice upon receipt of a completed withdrawal form.
